[Nav Nagra](#), Communications & Events Manager

This month we sit down with Sherry Small to discuss what we mean when we speak about Truth in Truth and Reconciliation.

[Convincing ourselves we're worth it - investing in capacity](#)

[Maria Turnbull](#), Associate Executive Director

Forget about the funders - convince yourself first you're worth investing in. There's a lot of conversation in our sector about changing the current funding paradigm that is seen as short-term...

[From Our Vantage Point Episode 50 - Celebration Episode: Not-for-profit podcasting](#)

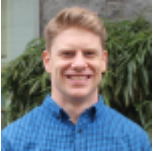

[Nav Nagra](#), Communications & Events Manager

For our 50th episode, our very own Maria Turnbull joins us to discuss the origins of From Our Vantage Point and what she has learned throughout the experience.

## [Maintaining your status as a society in BC](#)

[Mark Friesen](#), Director, Capacity Development

The new and updated Societies Act came into effect November 28, 2016 and governs how societies (not-for-profit organizations) are created and run in B.C. The new Act provides clarity, additional...

## [Plotting a Path for Your Working Board](#)

[Mark Friesen](#), Director, Capacity Development

One of our most popular blogs to date describes governance vs. operational boards. So we decided to revisit this topic. Close to half of all not-for-profit organizations in BC consist of teams...
