Vantage Point is often engaged to facilitate [board](#) and [staff team](#) efforts to develop organizational or team values. We deeply believe in the impact that clear and aligned values have on driving high performing teams, ultimately generating more mission impact. Though the creation of shared team values is essential, an equally important next step is to determine how to effectively "implement" or "embed" the values across the team or organization.

When the Vantage Point staff faced this very challenge, I did some research on our staff [Pro-D Day](#) and came across lots of interesting ways to...

As a not-for-profit organization with a history spanning over seven decades, Vantage Point has experienced [many transitions](#) over the years. Our most significant change was from a volunteer centre to a capacity-building focus for not-for-profit organizations. Throughout each adaptation, we have maintained an ongoing focus of supporting the not-for-profit sector.

We love working one-on-one with our clients - the people behind not-for-profit organizations throughout the province. In the process we have learned about many common challenges the sector faces.

We have realized a key dimension to...
