

Emerging Leaders

Emerging Leaders

Building the blocks of your personal leadership.

You're ready to make your mark in your non-profit organization. **Vantage Point program, training and resources offers you tools to explore your own leadership strengths**, embrace leadership opportunities and cultivate a network of support as you take the next steps in your career.

[Annual General Meeting & Denise Baker's Retirement Celebration](#)

[General](#)

We are celebrating the relationships we fostered and value we created through 2017 and honouring Denise Baker as we celebrate her retirement. In 2017, we supported over 10,000 leaders from more than 1500 organizations through our work and our free resources - truly lifting the capacity of the sector and transforming not-for-profit leadership.
