EPISODE 2 - Walking the Tight-rope: Employee vs. Independent Contractors

For our 2nd podcast, guest speaker [Gordon Holley](#), President & CEO of [Humanity Financial Management](#), shares his expert perspective on the topic: Walking the Tight-rope: Employees vs. Independent Contractors. Gordon provides insights on the perceived benefit to individuals and organizations to engage in a contractor relationship, rather than as employer-employee. He then explores the potential risks an organization exposes itself to for improperly classifying people as independent contractors when they are really employees – and a solution for managing that risk.
