Engage volunteers to lead: 5 effective practices

Podcast host, Maria Turnbull, engaged thousands of volunteers in her 20-year not-for-profit journey, while also serving as a volunteer herself. She has often considered what impacts a volunteer's ability - and willingness - to lead, rather than follow. For this month's podcast, Elijah van der Giessen, NetSquared Community Organizer, and TechSoup Global Community Manager joins Maria to talk about and share effective practices that support true volunteer leadership.
