[Inspiration from Anywhere](#)

[Hannah Roderick](#), Guest Blogger, Knowledge Philanthropist

A different type of inspiration came my way today. I was fortunate enough to be invited to attend a Vantage Point workshop about 'Board Basics'. Vantage Point is a Vancouver-based not-for-profit...

[Fresh Eyes = Ruthless Focus](#)

Returning to Vantage Point after my recent "secondment" to the political arena, I expected to slide right back into business as usual. I thought I would pick up exactly where I left off. Sure, I had...

[Off to the Races!](#)

[Colleen](#), Executive Director

Did you know we're writing a book? Tomorrow I share the first draft of chapter one (titled: What is a People Lens?) and two (titled: Why does it Matter?) with 20 people from Vantage Point's external...

[What got you to where you are](#)

In a world where everything is changing rapidly, the old rules no longer apply. The structures, strategies and processes that once created successful organizations are not sustainable today. You've...

[The Camp Fire](#)

[Colleen](#), Executive Director

You have to keep close to keep warm. The further away you move, the less connected you feel to the warmth. A member of one of our Task Forces recently used this analogy to explain how critical it was...
