Everyone is invited to attend this FREE event - Executive Directors, Board Members, Senior Leaders, Emerging Leaders, and supporters & champions of the not-for-profit community.

Join us for wine & networking as we hear from government relations experts and celebrate our move into public policy advocacy for the not-for-profit sector.

This fall Vantage Point launched our [membership campaign](#), announcing our new focus on public policy advocacy. Not-for-profit leaders have an important role in shaping a healthy public policy environment and we are excited to work with our members to address sector-wide challenges.

This is a great opportunity to learn more about our public policy work and membership services. From the work we have done to our next plans of action, bring your burning questions about where this work can go from here.

Connect and network with fellow leaders in the sector who are passionate about raising the importance of not-for-profits to the province.
