

## **Executive Director: Empowering Your Board**

### **Steer your board to better performance.**

The relationship between the board and the executive director is critical to organizational success. Keeping your board focused on governance and out of operations is a key challenge that can strain this relationship. If you can effectively educate and engage your board members to set direction versus manage operations, you can lead your board to govern.

#### **Who Should Attend**

Executive directors or equivalent role (CEO, Managing Director)

#### **Workshop Benefits**

Through our Executive Director: Empowering Your Board workshop, you will develop:

- better relationships with your board members
- an educated board that focuses on their role and respects yours as executive director

#### **Learning Outcomes**

At the end of this workshop, participants will be able to:

- Educate the board on their governance role
- Develop tactics to assist the board in setting direction vs. managing operations
- Demonstrate seven daily tasks to effectively lead leaders
