101 Ways to Move Your Organization Forward

We wrote (actually, our team of knowledge philanthropists wrote) this book as an open letter to leaders of not-for-profit organizations everywhere. It's meant to be a conversation starter. A thought provoker.

Sprinkled with stories of innovative people engagement, best-practice tips, and perspectives from senior leaders, A People Lens will change how you think about engaging people at your organization.

Upon submitting the form, an email will be sent to your inbox with a link to complete the download.
