

Services

Not-for-profit organizations are what drive progress in our province and our communities.

Not-for-profit's have to be organizationally healthy to achieve their missions. That is where Vantage Point's training and consulting services can be transformative.

Vantage Point provides services to not-for-profits of all sizes and in all stages of development—from start-ups to established organizations to those undergoing transitions. As a leader in not-for-profit capacity building in BC, our team can provide your organization with specialized training, consulting and coaching that will help you meet your goals and navigate organizational change.

Industry leaders and professional facilitators deliver most of our services. They are proven experts in their fields and are **dedicated to giving you** their time and knowledge.

- We are a not-for-profit organization dedicated to strengthening other organizations
- We celebrate your successes and take pride in serving our sector by supporting you to do your good work better
- We offer competitive rates for quality services
- Our facilitator and consulting team are highly qualified, experienced professionals
- We match a qualified facilitator or consultant with your unique requirements and priorities

Discover why over 7400 not-for-profit leaders - from board members to executive directors - trust Vantage Point to support their development and build their organization's capacity.
