Executive Lab Overview

Over the course of seven sessions, you will learn concepts and test out strategies and tools to elevate your leadership. The learning doesn't stop in the classroom, however - with the support of a mentor and your peers, you will identify how to apply these learnings in your role as an Executive Director.

We will invite a guest expert to speak at each session. You will be asked to share your questions and challenges ahead of time. Through application and reflection on your experiences, you will deepen your understanding and elevate your leadership.

Session 1: Personal Leadership
