

Team Collaboration

Build trust, create accountability, and achieve your team goals

What makes a high-performing team?

High-performing teams have a few things in common: they share a common goal, they have relationships based on trust, they engage in debate around ideas, they commit to decisions and hold each other accountable ([Patrick Lencioni](#)). In this half-day workshop, you'll learn strategies and identify specific behaviours to:

- Build trust among team members
- Uncover perspectives and new ideas
- Make the best decisions for your organization
- Work together to achieve your goals

Workshop Details

This workshop is only offered as a custom or onsite workshop. The content is offered as part of Leadership Principles.

This workshop is ideal for anyone who wants to help their team collaborate more effectively

Come away from this workshop with the ability to:

- Identify behaviours of functional and dysfunctional teams
- List strategies to build trust
- Describe techniques to engage in productive team conflict
- Identify strategies to enhance commitment and accountability
