About

Tulia Castellanos

Director

Tulia Castellanos has worked in the not-for-profit sector for 30 years. She started her career working with women in rural communities in Colombia, supporting the creation of food cooperatives. Since coming to Canada, she has worked in multiple areas in social services most of her work has been focused on the management, development, and implementation of a broad range of community-based programs. She has led several concurrent teams both National and in Metro Vancouver, focusing on her staff's personal growth along with their professional goals. She has built many unique strategic relationships in order to engage the community at large in "common-good " initiatives ensuring their long-term financial sustainability. Housed and worked at Family Services of Greater Vancouver for over two decades where she left as the Director of Strategic Community Engagement and moved to The Terry Fox Foundation as their Director of Operations. Tulia is currently the Executive Director of Mount Pleasant Neighbourhood
