#### About

#### Miranda Maslany

#### Membership & Government Relations Coordinator

Miranda leads Vantage Point's membership program and coordinates our government relations work. She has always had a passion for environmental issues and completed a Double Major in Environmental Studies and Sociology, with a Minor in Business at the University of Victoria. Miranda has worked for a variety of organizations including the Interior Health Authority, David Suzuki Foundation, Moss Street Community Market, and Sharp Six. At Sharp Six she worked with a variety of not-for-profit clients to support their capacity building journey. She has also enjoyed taking on volunteer opportunities such as CityHive's 30Network on Vancouver's housing crisis and participating in programs such as IMPACT! Youth Sustainability Training. Miranda brings a collaborative working style and loves developing solutions. Outside the office, she dabbles in creative pursuits including guitar, choir, dance, and improv theatre. Miranda is also a budding illustrator and graphic recorder. Ask Miranda about becoming a member of Vantage Point, our government relations projects, and how to use improv theatre in your daily life.
